INFORMATION DISCLOSURE STATEMENT

Dear Sir:

The applicant and the attorney who signs below on the basis of the information supplied by the inventor and the information in this file, submit herewith patents, publications, or other information of which they are aware, which may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR § 1.56.

While the information submitted in this Information Disclosure Statement may be material pursuant to 37 CFR § 1.56, it is not intended to constitute an admission that any patent, publication, or other information referred to therein is prior art for this invention unless specifically designated as such.

In accordance with 37 CFR § 1.97, this Information Disclosure Statement is not to be construed as a representation that a search has been made or that no other possibly material information as defined under 37 CFR § 1.56(a) exists.

The patents and/or publications submitted herewith are set forth on the attached Form PTO-1449.

Applicant notes that there is one foreign-language reference listed on the enclosed Form PTO-1449. In accordance with 37 C.F.R. § 1.98(a)(3)(ii), Applicant offers an English-language translation of the abstract of that reference here:

REFERENCE B2: FR 2 772 931: From the Abstract provided by the UK Patent Office: "The seismic cable includes a number of acoustic transmitters spread along it each of which transmits an identifiable acoustic signal. The system includes a floating network having at least three acoustic receiver units (T, B, Q), with means for knowing the position of these unites (T, B, Q) with respect to the ship (V). The system has also means for transmitting to a processing unit the time corresponding to receipt, by the receiver units (T, B, Q), of signals from the acoustic cable transmitters (P). The processing unit includes means for calculating, from these time and position values the position of the acoustic transmitters and therefore the trajectory of the cable as it is unrolled from the ship."

No fee is believed to be due in connection with the filing of this Information Disclosure Statement. However, if it is determined by the Office that a fee in the amount of \$180.00 is due under 37 CFR § 1.17(p), the Commissioner is hereby authorized to charge this fee, and any other fee necessary to make this submission timely, to the Deposit Account 50-1720/14.0229-PCT-US.

Respectfully submitted,
